Steven Craig Powell, date of birth 12/19/1949, home address 18615 94th Avenue Court E, Puyallup, WA, 98375, was interviewed at the office of the FBI in Tacoma, WA. Powell had previously called the Salt Lake City FBI and requested this interview.

The interview was attempted to be recorded for audio and video, however, only the audio portion functioned. The audio recording of the interview is located in the 1-A section of file. The following is a very brief summary of the interview.

Powell informed that he had a theory of the disappearance of Susan Powell. He thinks it is related to another individual that went missing from the Salt Lake area near the same date as Susan Powell. Powell does not believe that his son Josh Powell is involved in Susan's disappearance.

During the interview, Powell signed an FD-26, Consent to Search, form for his home phone and cell phone information.
